### *DISASTERS TO VESSELS.*

**BOSTON, May 6.**—It is stated that no agreement for the amount to be paid was made between Capt. Molsen, of the Danish steamer Thingvalla, and Capt. Mouland, of the Cunard steamer Samaria, for services in towing the Thingvalla to this port. In consequence of this, the agents of the Cunard Company here have libeled the Thingvalla, claiming salvage. The amount of salvage to be asked for has not yet been determined, but will be as soon as a definite appraisal of the service performed can be arrived at.

**LONDON, May 6.**—The vessel reported on May 5 as abandoned at sea, the crew landing at Miquelon, was the Norwegian bark Gudrun, (American built,) not American vessel, as stated.
